

GRANCHESTER

Artificial Grass for Landscaping

PRODUCT SPECIFICATION

Pile Height	48mm
UV Stabilisation	> 10 years in Europe
Fibre Shape	Straight & Curled
Fibre Weight/dtex	PE Monofilament 15,400 dtex
Yarn Weight	2,505 gram/sqm
Colour (s)	3 x Green/1 x Beige
No of stitches/10cm ²	14

BACKING

Primary Backing	100% Woven Polyprop
Secondary Backing	'UltraBak' SBR Latex
Backing Weight	1065 gram/sqm
Total Product weight/sqm	3570 gram/sqm

YARN A - STRAIGHT PILE

Yarn Polymer	Pro-Tech Yarn Technology
--------------	--------------------------

YARN B - THATCH PILE

Yarn Polymer	Elite Grade Polyethylene
--------------	--------------------------

GENERAL DETAIL

Total Thickness	50mm
Roll Length	Minimum 25m
Roll Width	Minimum 4m
Country of manufacture	UK

QUALITY & TESTS

FIFA Requirements	None
Turf Bind	>3kg Newton
Water permeability	60 litre/min/sqm
Colour Fastness	According to CEN standards

INSTALLATION & MAINTENANCE

Infill	Yes
